Dear Mr Oliver

**Re: Works To Trees within a Conservation Area located at and adjacent to Top Lock Cottage, 160 Dark Lane, Braunston.**

Please accept my apology for the delay in reaching a decision. With reference to your letter dated 4<sup>th</sup> June 2018 notifying this Council of your intention to re pollard a Willow Tree in the grounds of the above property located in the Conservation Area, this Council has decided not to make a Tree Preservation Order on the tree and so you are permitted to undertake the proposed works as outlined in the aforementioned letter.

As I am sure you are aware we are now in the nesting bird season so please take the appropriate precautions to avoid disturbing any birds nesting in the trees as it is an offence so to do so.

The proposed works should be carried out within 2 years of the date of this letter.

If you have any questions please do not hesitate to contact me.

Yours sincerely,

Signed By Michael Venton (Landscape Planning Officer)
